Skincare

PERSONAL MORNING · BLOCK 06

Three products, same order every day. Gentle, not perfect.

YOU NEED

- Cleanser
- Moisturiser
- SPF

STEPS

1. **Cleanse**
   Wet face with lukewarm water. Small amount, massage in, rinse.
2. **Pat dry**
   Clean towel. Pat, don't rub.
3. **Moisturise**
   Thin layer over face and neck.
4. **SPF**
   Last step, every day — cloudy days too.

TIPS

- Hot water dries skin out — keep it lukewarm.
- Skipped a day? Just carry on tomorrow.
